FOREWORD

WE HAD FUN IN '61.

This the OCEANIAN for 1961 marks the end of another phase in our lives. Forever will linger memories--memories of classmates, teachers, good times, bad times, successes, and failures; all these helped to make life worthwhile at Oceana High School. The aim in preparing this issue was to provide a memoir of the fun we shared in '61.

It is our earnest hope and desire that you, THE READER, will enjoy this edition for countless years to come.
